Screamin' Eagle V-Rod Destroyer Eastern Series Round 4 Recap

The CMDRA and the Screamin' Eagle V-Rod Destroyer Eastern series returned to the Napierville Dragway on July 5th and 6th for a showdown between the best racers from Ontario and Quebec. Throughout the weekend, Chris Fox from Owen Sound Ontario proved to be the man to beat, as he smashed multiple CMDRA records and qualified first overall. Moving into Sunday, Fox and the Fox Harley Davidson Racing Team continued their dominant performance, setting a new quarter mile ET record for the V-Rod class of 9.073 seconds, and making his way into the finals for another showdown with Burlington's Pete Thomson and his Rocky's Harley Davidson sponsored machine. In the final elimination matchup, Fox took charge by cutting a quicker light and never looked back as he covered the 1,320 foot track in 9.186 seconds enroute to a convincing victory.
