

For Immediate Release

July 25, 2013

CMDRA Heads for the Badlands

The Canadian Motorcycle Drag Racing Association returns to Alberta on August 3rd and 4th for 2013 edition of the Badlands Nationals presented by Medicine Hat Harley Davidson. With only 3 races remaining in the season, points are at a premium and the racing action will be intense. Held on the ¼ mile NHRA sanctioned Medicine Hat Dragstrip, the CMDRA will take full advantage of the fully lit track and run qualifying “under the lights” on Saturday night.

In addition to racing featuring all classes and makes of bikes, including the Screamin' Eagle Top Fuel and V-Rod Destroyer series, the CMDRA will once again be hosting the Trev Deeley Drag Racing School at 12 noon on Saturday. This unique opportunity provides anyone on two wheels the chance to experience the thrill of the ¼ mile under the guidance and instruction of professional drag racers at absolutely no cost.

As always, for the 2013 season, the CMDRA is providing live up to the minute results for all of its events at: www.cmdra.com/2013-live-race-results/
